

## Vac Truck Operator

Wrangler Rentals is a leader in the oil and gas field, supplying quality rental equipment and highly skilled workers to project sites. Wrangler maintains a strict focus on safety, providing only industry experienced operators and has a commitment to fostering positive, professional relationships between our people and delivering outstanding customer service for our clients, while specializing on Track Hoe Excavator packages/Hydro Vac trucks throughout Canada. Working with us means a rewarding job in a diverse workplace where you are encouraged to grow through training and hands-on experience.

Wrangler has an immediate opening for **Vac Truck Operators** to work from our Rocky Mountain oil field locations.

As a **Vac Truck Operator**, tasks and duties will include:

- Operating company Vacuum and associated equipment in a safe and efficient manner
- Ensures proper load securement of any hoses, chemical pails or other equipment
- Participate in all company HSE programs and policy requirements
- Correctly complete and submit all company paperwork, including invoices, Hazard ID's, log books and any other paperwork required for the job
- Provide customers with exceptional and timely service
- Carrying out routine vehicle checks

To successfully secure this opportunity, you must:

- Have a minimum 2 years' industrial oilfield experience
- Hold a valid Class 1 driver's license
- Clean driver's abstract
- Have a great attitude and strong work ethic
- Be reliable, punctual and self-motivated

If you are interested and would like to seize this great opportunity, please submit your resume online ([www.wranglerrentals.com/careers](http://www.wranglerrentals.com/careers)) or email to [ops@wranglerrentals.com](mailto:ops@wranglerrentals.com). Inquiries may also be made at 1-780-980-1331.

Wrangler Rentals is an equal opportunity employer and welcomes all qualified candidates to apply. Thank you to all that apply, however, only those chosen for interviews will be contacted. All chosen candidates will be required to take a pre-employment drug & alcohol screening.
