

Track Hoe Field Operator

Wrangler Rentals is a leader in the oil and gas field, supplying quality rental equipment and highly skilled workers to project sites. Wrangler maintains a strict focus on safety, providing only industry experienced operators and has a commitment to fostering positive, professional relationships between our people and delivering outstanding customer service for our clients, while specializing on Track Hoe Excavator packages/Hydro Vac trucks throughout Canada. Working with us means a rewarding job in a diverse workplace where you are encouraged to grow through training and hands-on experience.

Wrangler is currently hiring for **Track Hoe Field Operators** to operate as rig support.

As a **Field Operator**, tasks and duties will include:

- Operating company equipment in a safe and efficient manner
- Act as first point of contact for all on-site requirements
- Accountable for daily, weekly preventative maintenance of equipment and provide customers with exceptional and timely service

To successfully secure this opportunity, you must:

- Have a minimum 500hr of seat time in a Track-Hoe
- Minimum 2 years drilling rig experience
- Preferred 1 year managing professional relationships

Wrangler offers a full benefits package and competitive compensation. If you are interested and would like to seize this great opportunity, please submit your resume online (www.wranglerrentals.com/careers) or email to ops@wranglerrentals.com.

Wrangler Rentals is an equal opportunity employer and welcomes all qualified candidates to apply. Thank you to all that apply, however, only those chosen for interviews will be contacted. All chosen candidates will be required to take a pre-employment drug & alcohol screening.
